Other Editorial Experience

Magazines and Journals

Knight Letter, The Journal of The Lewis Carroll Society of North America

Managing Editor, 1994 – 2009; **Production Editor** 2009 –

As managing editor, I was responsible for creating two to four issues per year, a process that involves acquiring articles, researching, fact checking, writing, developmental editing, substantive copyediting, and supervising layout, design, proofreading, and production. The journal has grown from 6 to 56 pages under my editorship and has become a respected academic journal with an international readership.

Ylem: Artists Using Technology
